Hi Diane,

Sounds good. Would you like me to look at the human health slides?

Thanks.

Hi Marian

Thanks, but I don't think that will be necessary. It is only about 4 slides total for human health and eco assessment so it will be included in a CSM-type talk.

Hi Diane,

Would you like me to present an overview of the human health risk assessment for the 17 mile site?

Thanks.

I have attached the CSTAG agendas for Feb 28 and March 01. Jen had not sent out an invite but the meetings are in 27D all day Wednesday and Thursday.

Thanks
Diane
